FYI... The draft agenda for the GWPC AE workgroup meeting went out to the states this morning – good progress...

GWPC and the states will meet in December to discuss outstanding issues, and GWPC (and possibly the states) and EPA will have a conference call in early January to flesh things out before the face-to-face meeting.

Hey Joe! – FYI – this went to states this morning. We will get the states together to help get them focused in early Dec, while I know your are away.

THANKS!

Tom R., Stan, Denise, Joe L., Tom T., Lorrie, George, David M, Tim, Kevin, Candace, David C., Dale, Leslie, Doug, Jamie, and Joe H:

You will recall, we have been planning our next face-to-face meeting of the GWPC AE workgroup to take place at the 2014 GWPC UIC conference to take place in New Orleans, LA January 21-23, 2014. The specific plan for the AE working group session is to work most of the day on Tuesday, January 21st.

Attachments include:

- AE Working Group Preliminary Draft Agenda
- the document that includes EPA's response to the GWPC AE Working Group's comments to EPA's Statement of Basis (SB)
- EPA's SB documents with a few suggested red line changes based on our last face-to-face meeting.
- the preliminary agenda for the UIC Meeting (for your added information)

We need your input regarding several items between now and the January 21st meeting and would like to have a conference call to discuss items such as:

- 1) Any issues that may still exist based on EPA's response to our comments to EPA's SB
- 2) Any additional issues
- 3) Any needed modifications to face-to-face meeting based on our discussion of items 1) & 2)
- 4) Travel assistance details for New Orleans meeting
- 5) Discuss desired working group products
- 6) Other discussion items

Please let us know your availability for a conference call as follows
